Nagar Deputy Commrs. Office,
Shimoga, 6th January 1874.

To,

The Secretary to the Chief Commr.
of Mysore.

Sir,

I have the honor to state for information of the Chief Commissioner that in the town of Chitaldroog a Police Peon had been detailed specially to look after the Haranje Channel and to supervise the water supply therefrom to the town, but since the organization of the Police force, the Peon was withdrawn. The matter was duly discussed by the Municipal Board, and it was finally resolved that as the services of a Peon constantly to look after the water supply were absolutely necessary, a person should be entertained at 5 Rs. per mensem, the cost being met from the Municipal Budget provision under "Reserve Repairs." As it appears from the

Deputy

Deputy Commissioner's report that a Emergency has been already entertained in anticipation of Sanction, I request that the Chief Commissioner's Sanction may be obtained to this necessary Establishment.—

Sir,

I have the honor, under the circumstances stated below, to request that the sanction of the Chief Commissioner may be obtained to the employment, free of charge, of Convicts on Municipal works in the Town of Sunkur.

2. The Deputy Commissioner, in anticipation of sanction, reported that he had employed convicts on such works in consequence of there being no other work for them, and requested that their services may be continued, as the Municipality were not in a position to pay for the labor. He was informed that the convict labor could not be allowed quite free and was asked to report what portion the Municipality could contribute. The Deputy Commissioner

works that the Municipality is so very poor that it cannot afford to pay it all or convict labor.

3. Pending a reply to this reference the Deputy Commissioner has been directed to withdraw the convicts from Municipal work, and to substitute in other work, as from the instructions contained in letter No 1716 of the 3rd January 1868 from the Deputy Accountant-General, convict labor either on works under the Public Works Department, or Municipalities must be paid for. I have the honor to solicit the favor of being informed whether any deviation from the standing rule in force may be permitted in the case above noted.

ABSTRACT.

The Deputy Commissioner Mr. Venkatarama Iyengar having ordered that the works carried by the town Municipality of Shemoga should be given to Contractors, tenders were presented by different parties, Petitioners being one of the Shemoga Contractors of the Engineering Department offered to undertake the works at 6¼ per cent less the estimated amount, The Petitioners at 6⅜ per cent discount, and one Sattoor at 6½ per cent discount. The Dy. about the time of his departure ordered the works to be given over to Sattoor at estimated saying that the Contractors will not do the work properly this being quite unjust and we are prepared to give security any amount, They desired the works in question be or to be given to them at 6⅜ per cent discount of the estimated rate

and thus save a great deal to the municipality
